

PICK UP LIST

Do You have friends,
family, co-workers, neighbors or
classmates, going through some
challenges in their lives;
dealing with issues of brokenness?

God wants to use you and
your experiences to
pick them up!

Next, make a commitment to pray daily for your “Pick Ups!” Pray that they would sense the presence of God in their lives and that God would draw each one to himself.

Offer yourself everyday as an instrument that God can use in their lives to minister to whatever their need may be.

Watch for opportunities to discuss and demonstrate your faith with them as well as invite them to church.
