**The Proof is in the Practice**

Matt.11:2-6 (NKJV)

**Dr. Joshua Beckley, Senior Pastor**

**Introduction:**

Have you ever heard the phrase, “The Proof is in the Pudding?!” Have you ever stopped to think, what does that mean? Well, according to the Urban Dictionary it means:

*The original phrase is, "The proof of the pudding is in the eating!" This means you have to eat the pudding to know what's inside of it. The modern version of "The proof is in the pudding," implies that there is a lot of evidence that I will not go through at this moment and you should take my word for it, or you could go through all of the evidence yourself.*
