Spiritual intimacy with God expands spiritual capacity!

Series: *You've Got The Power*

HEALINGS: Sustenance

Exodus 15:25b-26; 1 Corinthians 12:28-30 NKJV

Dr. Joshua Beckley, Sr. Pastor

INTRODUCTION

Dr. Will Mayo, one of the brothers who founded the world-famous Mayo Clinic, claimed to have seen patients that by all standards were dead. "We knew they could not live. But I have seen a minister come to the bedside and do something for them that I could not do, although I had done everything in my professional power, but something touched some immortal spark in them and in defiance of medical knowledge and materialistic common sense, that patient lived!"

Healing is a profound and recurring theme throughout the Bible, encompassing psychological, spiritual, physical, and emotional restoration.

"All our infirmities, whatever they are, are just opportunities for God to display his gracious work in us, His healings!" — C.H. Spurgeon
