Sermon Series: Possessing the Promises of God!

(A Study through the Book of Joshua)

“Believing God for the Impossible!”

Sermon Text: 10:1-15 [NLT](#)

Dr. Joshua Beckley, Senior Pastor

INTRODUCTION

Joshua chapter 10

- Supernatural events
- Execution of 5 Amorite Kings who joined forces against Joshua & Children of Israel
- Conquest of southern part of Promised Land
- Included cities of these 5 Kings

Our focus today:

10:1-15, supernatural display of God power during Israel’s taking possession of the Land God had given to them.

Question:

“When it comes to possessing the promising in the Word, that you know God has made to you, How far are you willing to take your belief, in seeing those promises come to pass?”

Example, when you Pray...

Do you have your own limitations in mind rather than God’s limitless power?

Maybe you need a different perspective.

Maybe, when you approach God,

you might want to embrace the fact we need to recognize that you are interacting with:

- † the Almighty God
- † the Maker of heaven and earth
- † the King of Kings
- † the Lord of Lords
- † the Everlasting Father
- † Our Great Redeemer

Trusting God means looking beyond what you can see to what He sees and what He can accomplish. For nothing is impossible with God! (Luke 1:37 NKJV)

BELIEVING GOD FOR THE IMPOSSIBLE, REQUIRES KNOWING...

1) IT WILL NOT BE WITHOUT _____ - Joshua 10:1-5 **NLT**

† John 16:33 **NASB**

† 1 Peter 5:8 **NASB**

3) IT WILL NOT BE WITHOUT THE LORD'S _____ - Joshua 10:7-8 **NLT**

† Isaiah 55:11 **NKJV**

† Psalm 119:89 **NKJV**

† Numbers 23:19 **NKJV**

4) IT WILL REQUIRE AN _____ FAITH - Joshua 10:12-14 **NLT**
